

SUBMISSION RELEASE

The following shall constitute an agreement and release (the "Release") by _____ ("Submitter") with regard to a _____ entitled "_____" submitted to the Public Broadcasting Service ("PBS"). The submission, including without limitation all documents, ideas, correspondence, media, recordings, works, and any other materials provided with the submission, if any, are collectively the "Materials." Submitter understands and agrees that the execution of this Release is a prerequisite to PBS review of the Materials submitted. All references herein to PBS shall include any parent, subsidiary or affiliated entities as well as PBS's directors, officers, agents, employees, consultants, contractors, lessees, licensees, successors and assigns. Submitter provides this release on behalf of itself and all other persons or entities that may claim an interest in the Materials (Submitter and all such other persons or entities are collectively the "Submission Owners").

For good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, Submitter hereby agrees, represents, warrants and covenants as follows:

1. Submitter acknowledges that submission of the Materials, and previous or subsequent discussions between Submitter and PBS about the Materials, does not create any confidential or fiduciary relationship between PBS, on the one hand, and Submitter or the Submission Owners, on the other hand. Submitter understands and agrees that PBS does not undertake to consider the Materials in confidence. Submitter acknowledges that PBS must disclose the Materials to various employees, and possibly even to individuals or entities outside PBS's employ or control, to determine the Materials' value.
2. Submitter acknowledges and agrees, on behalf of itself and the Submission Owners, that PBS has made no claims, representations, warranties, promises or guarantees with respect to the submitted Materials except with respect to ownership as set forth in Section 4 herein, and has provided no assurances about the process utilized by PBS with respect to selection of submissions for inclusion in its program services or other distribution. Any submission to PBS is made with the understanding that PBS shall give the Materials such consideration as it merits in PBS's sole and final judgment, and PBS is under no obligation whatsoever to use the Materials. PBS is under no obligation to release to Submitter or the Submission Owners any details of PBS's actions in connection with the Materials or any information regarding PBS's activities in the field to which the Materials pertain. In the event PBS does provide any comments or feedback, Submitter and the Submission Owners shall take, share and rely on such comments or feedback at their own risk and expense. Submitter and the Submission Owners waive any and all claims they may have against PBS for reimbursement of costs, expenses, liabilities or damages arising from acts or omissions taken in reliance on the submission or PBS's comments or feedback, whether such claims may be based on theories of contract, implied contract, tort, statute or other legal theories. Submitter acknowledges that PBS's receipt and consideration of the Materials does not in any way constitute an express or implied endorsement or approval by PBS of the content of the Materials or any opinion expressed therein. Submitter acknowledges that neither submission of the Materials nor any contact from or discussion with PBS conveys any right to Submitter or the Submission Owners to use PBS's name, logo or other trademarks for any reason or in any manner.
3. Submitter acknowledges that PBS receives thousands of submissions and often receives similar or identical material or ideas from independent sources. Consideration of the Materials is not an admission by PBS of the novelty, propriety or originality of the Materials. PBS shall not be obligated to further consider Submitter's Materials or to negotiate with or enter into an agreement with Submitter pertaining to the Materials. Submitter acknowledges that PBS has no obligation to accept, reject or otherwise act or cease to act on material that PBS receives from independent sources, whether or not such sources or materials are related to Submitter or Submitter's Materials. Furthermore, Submitter shall not hold PBS liable for third-party submissions containing material similar or identical to the Materials.
4. Without limiting any provision of Section 3 herein, the parties acknowledge that Submitter or the Submission Owners may jointly or severally claim an ownership interest in all or parts of the Materials pursuant to applicable copyright, trademark or other intellectual property law, and no ownership interest is assigned or transferred by or between the parties hereto by virtue of this Release or by submitting the Materials to PBS. Submitter grants PBS the right to possess, view, copy and share the Materials for the purpose of determining whether or not to act on the submission.
5. Submitter hereby represents and warrants that:
 - a) Submitter is either: (i) the sole originator and owner of the Materials, and that no other persons, or entities have any right, title or interest therein or thereto; or (ii) the sole and exclusive authorized representative of the Submission Owners, and no other persons or entities other than those represented by Submitter have any right, title or interest therein or thereto.
 - b) Submission of the Materials and PBS's review and use thereof shall not: (i) violate any personal or property rights of any third party, including without limitation rights of droit moral, privacy, publicity, copyright, trademark, or other intellectual property rights; or (ii) constitute defamation, libel or slander against any third party.
 - c) PBS's shall not owe Submitter, the Submission Owners or any third party any payment or other compensation for receipt and consideration of the Materials.
 - d) The Materials are not subject to any current, anticipated or threatened litigation, arbitration or other dispute or adversarial claims or proceedings.
 - e) Submitter has the full right and authorization to submit the Materials to PBS upon all of the terms and conditions herein stated.

SUBMISSION RELEASE

f) No persons or entities, other than those represented by the parties signing below or executing a separate but contemporaneous Release with respect to the Materials, have collaborated with Submitter in creating the Materials, nor do any persons or entities other than those represented by the parties signing below have any rights in such Materials inconsistent with Submitter's agreement hereunder.

g) The Materials are being submitted to PBS voluntarily and without promise or inducement.

h) Submission of the Materials neither imposes nor creates any obligation on the part of PBS to accept the Materials for distribution or exhibition through any medium or platform or to acknowledge the submission of the Materials.

i) Submitter has fully read and understands and agrees to this Release.

6. Submitter hereby releases, acquits and forever discharges PBS of and from any and all claims, debts, dues, accounts, demands, actions, causes of action, suits, controversies, proceedings, covenants, contracts, agreements, costs, expenses, liabilities, obligations and compensation of any kind whatsoever, in law or in equity, whether known or unknown, anticipated or unanticipated, accrued or hereafter to accrue, under any theory of law, which Submitter or the Submission Owners have or may have against PBS arising from PBS's (or PBS's lack of) receipt, possession, use and/or disposal of the Materials now or in the future. Without limiting any other provisions herein, Submitter acknowledges and agrees that, in the event any claims are asserted, or any action or other proceeding are brought or commenced by Submitter or the Submission Owners against PBS for any violation of the terms set forth herein, the sole remedy that could be awarded to Submitter or the Submission Owners shall be an injunction or other remedy at equity to prevent PBS from further using the Materials. In no event shall Submitter or the Submission Owners seek monetary damages for any breach of these Release terms.

7. Submitter and the Submission Owners agree to indemnify, defend and hold harmless PBS from and against any claim, loss, obligation, liability or expense including reasonable attorney's fees that may be asserted against or incurred by PBS in connection with the Materials submitted hereunder, any use of such Materials by PBS or any breach of any representation, covenant or warranty made by Submitter or the Submission Owners hereunder. This indemnity includes without limitation any claims that the Materials violate or infringe any copyright, patent, privacy right, publicity right, trademark, service mark or any other personal property right of any person or entity, or that the contents of the Materials constitute or include defamation of any person or entity.

8. This Release constitutes the entire understanding of Submitter and PBS as of the date hereof. No other agreement, written or oral, expressed or implied, exists between Submitter and PBS with respect to the Materials. Any modification or waiver hereunder or termination hereof must be in writing and signed by both Submitter and PBS. The invalidity of any provision hereof shall not affect the remaining provisions. The representations, warranties and indemnities herein shall survive the termination, execution, completion or expiration of this Release.

9. Submitter has retained a copy of the Materials and agrees that PBS shall not have any obligation to return the submitted copy of the Materials to Submitter and that PBS shall be under no obligation for any loss or damage to the submitted copy.

10. The laws of the Commonwealth of Virginia govern all matters arising out of or relating to this Release without giving effect to conflicts of law principles thereof. The parties submit to the exclusive jurisdiction of the state and federal courts of the Commonwealth of Virginia for resolving any dispute arising out of or relating to this Release.
