Mis vacaciones favoritas es
cuando fui al rancho
con mi mamá y
mi hermano

My favorite vacation were when I went to the Ranch with my mother and my sister.

Luego yo y mi hermana
vimos un perito blanco
y jugamos con el.

Then my sister and I saw a White puppy and played with him.

despues vi la cruz roja
de juarez y nos salvamos.

After that I saw the Red Cross from Juarez and we got inside.

Tambien yo y mi mamá
Fuimos al super a comprar
verduras.

Also my mother and I went to a Supermarket to buy vegetables.

Al final yo y mi
familia comimos nieve
de chocolate.

At the end, my family and I went to get chocolate ice cream.
