WORKPLACE DIVERSITY

WNED | WBFO believes that when individual differences, rights, and beliefs are respected and embraced, all people have a voice, and their creativity and originality are encouraged. We maintain that achieving diversity requires an enduring commitment to inclusion that must find full expression in our organization’s culture, values, norms and behaviors. Throughout our work, we will support diversity in all of its forms, encompassing but not limited to, age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, and veteran status.

BENEFITS OF DIVERSITY

WNED | WBFO is committed to promoting an environment in which differences are respected, employees are treated fairly, and individual contributions are valued and rewarded. The perspectives offered by employees, board members, interns, volunteers and community partners from many different backgrounds not only strengthen WNED | WBFO and provide greater innovation and creativity, but enable us to thoughtfully respond to the needs of our stakeholders. Therefore, WNED’s diversity initiatives are applicable, but not limited to, our practices and policies on recruitment and selection of staff and board members, compensation and benefits, professional development and training, promotions, transfers, social and recreational programs, layoffs, terminations, and the ongoing development of a work environment built on the premise of gender and diversity equity that encourages and enforces:

- Respectful communication and cooperation between all employees, board members, interns and volunteers
- Teamwork and employee participation, permitting the representation of all groups and employee perspectives
- Employer and employee contributions to the communities we serve to promote a greater understanding and respect for diversity

WNED | WBFO staff has a responsibility to exhibit conduct that reflects inclusion during work, at work functions on or off the work site, and at all other company-sponsored events. All employees are also required to attend and complete annual diversity awareness training to enhance their knowledge to fulfill this responsibility. Any employee found to have exhibited any inappropriate conduct or behavior against others may be subject to disciplinary action.

MANAGEMENT COMMITMENT

All members of management are responsible for understanding WNED’s commitment to a diverse workforce and to actively assuring that the diversity plan is supported and carried out.

QUESTIONS AND COMPLAINTS

Employees who believe they have been subjected to any kind of discrimination that conflicts with WNED’s diversity policy and initiatives, or any other status protected by law, should seek assistance from a supervisor or the Director of Human Resources.
