

The Rainbow Hair

By: Lara Bloomfield

Once upon a time Welda and her
brother took their dog on a walk.
They ran into some
problems. First they ran into a
puddle. The puddle was brown.

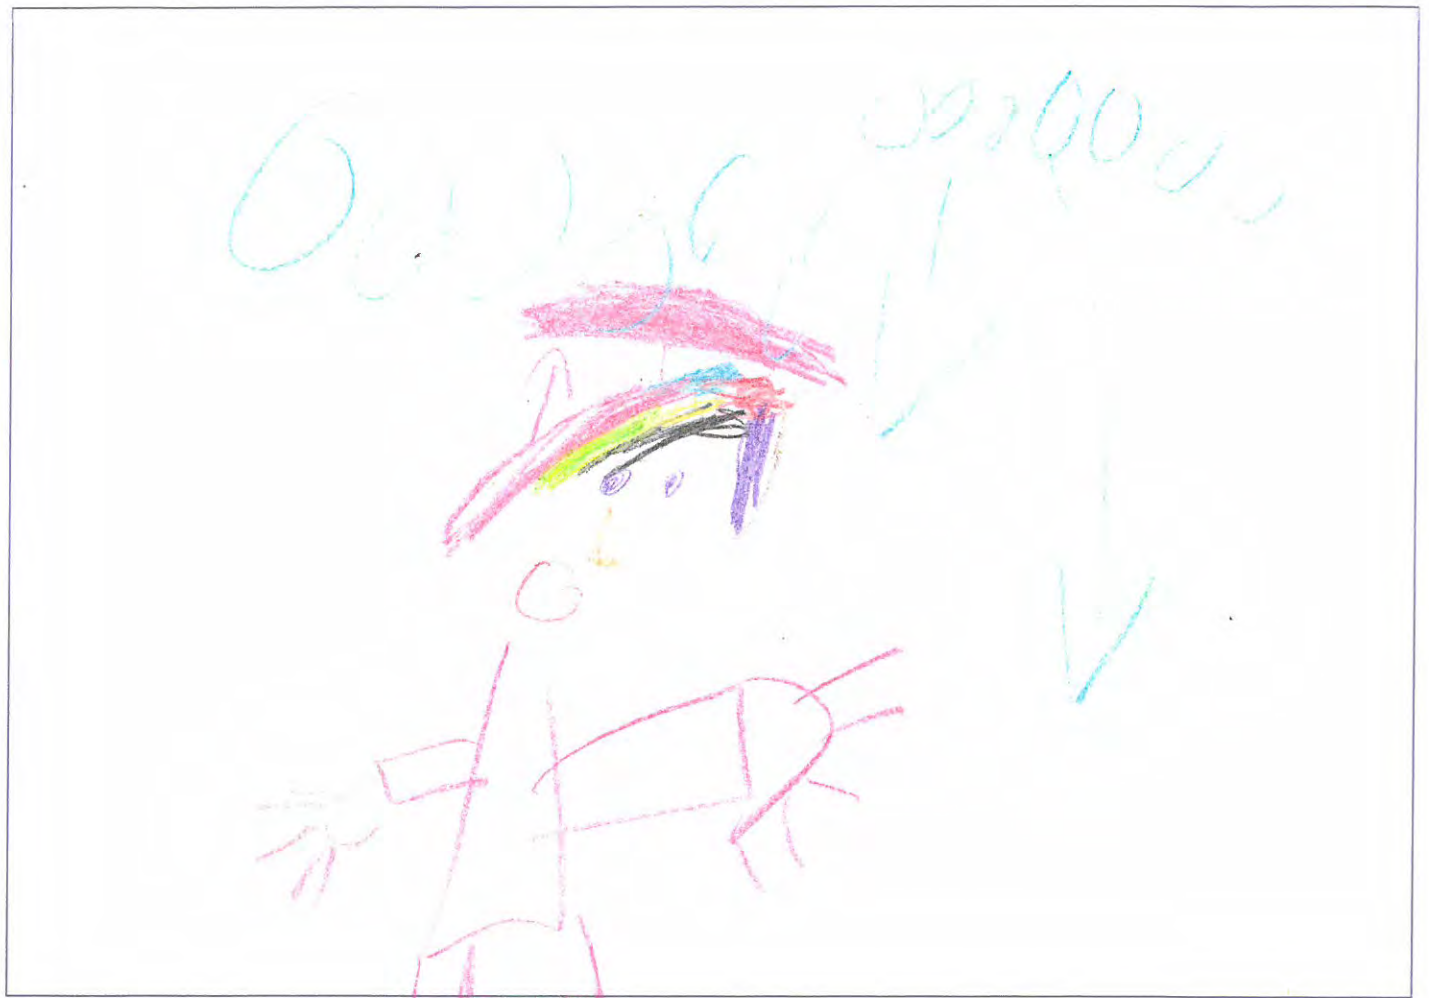

Welda had special hair. Her hair had colors like a rainbow.

She used the magic of her hair to fix the problems. She used her brown hair to suck up the puddle.

Then they came across by green tall grass. Welda used her green hair to zap the grass and it went all away!

Then it started to rain but
Wella made an umbrella with her
pink hair. Finally they were at the
dog park!
