The elephant lived in a hole in the ground in the forest and wanted to go shopping. He bought popcorn at the store and then went back to the forest.

As he was walking back to the forest when along came a hungry monster who was pink and had great big eyes and two horns on his head! He was hungry too and took the popcorn!

The elephant yelled, "Give back my popcorn!" but the monster didn't and he ran away. The elephant went back to the store for more popcorn and ate it right there!

The elephant came home but was very sad to be all alone living in a hole in the ground when the monster came by and apologized for taking his popcorn. The elephant said it was alright and thank you for saying you're sorry.

The elephant and monster began to play together and had so much fun they decided to live together and eat popcorn every day so they wouldn't be lonely ever again.
