By Eliza Bruemmer

Lelen and Jake Streeter are 11 year old twins that look a lot alike. Lelen likes to build gadgets. Jake likes to play with their baby brother, Timmy.

One day, Lelen was making a gadget she called the Mini-o-Matic. Her gadget could turn anyone so tiny.

One day Lelen was making a gadget she called the Mini-o-Matic. Her gadget could turn anyone so tiny.

When Lelen wasn't looking, Jake came in and started messing with the gadget. When Lelen looked back, she shouted, "Hey! Don't touch that!" They were both grabbing it, then, ZAP! They started to shrink.

Once they were fully shrunk, they fell to the floor, along with the gadget.
Then they heard a "Meow" and they knew it belonged to their cat,
Miccoe. "Run!" Jake cried. Then Miccoe pounced.

"Come on, Lelen. Go to the Mailbox." Jake cried.
"Uh, I don't think that's such a good idea Jay." Lelen shouted back. "Oh,
fine." She agreed. They jumped with difficulty and settled in an envelope.

Eventually, they dozed off to sleep. Nobody knew how long they slept. But when they woke up they were at their friend's house, Emmalea. They crept under the door to try and find her.

Emmalea had a big house, but luckily Lelen had been there many times. So she knew where Emmalea would most likely be. She was there. "Emma, it's us!" Lelen said. Emmalea scooped them up and took them home.

After that, their family and grandma all watched a movie about a dad that shrunk the kids.

A lot of things happened in the movie about a dad that shrunk the kids.

Lelen put the gadget in a museum so it wouldn't happen again. Then one day a boy, 2 years old, started to mess with it...
