By Joanna Hong

Ellie was a small kind princess. She could make magic.

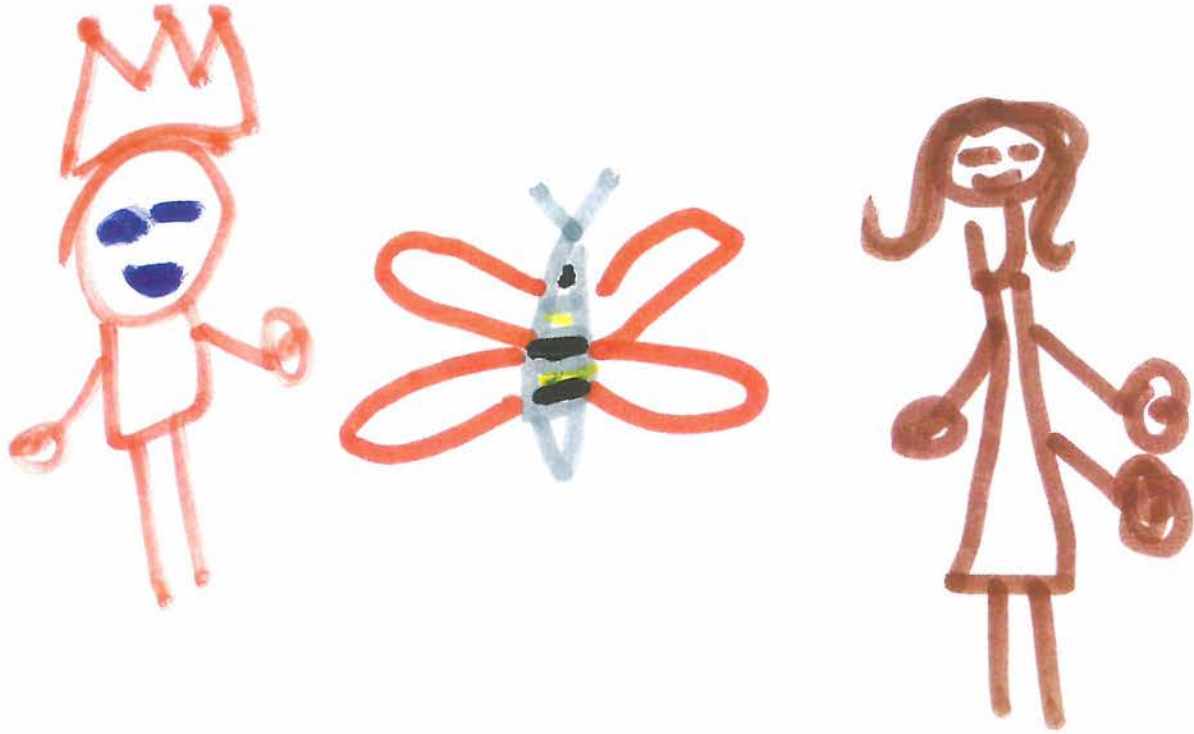

A big pink castle is a very nice place to live and Ellie likes to dance there and has a unicorn who is rainbow color.

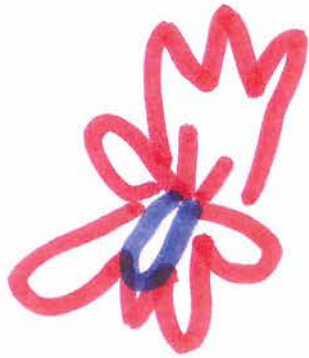

There is a bad witch named Bella. She is mean and hits.

Ellie tries to tell Bella she should be nice but she still does bad things.

A prince named Roger tells Bella to stop and Bella gets so mad she turns him into a bee.

He gets so scared that he stings the witch,
she says she is sorry and goes home.

Ellie uses her magic wand to turn him into a prince again, he is very happy. They go and play all day.
