

# The dragon on Mt. Everest

By: Aditya Dara

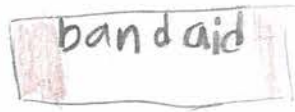

Once there  
was a dragon named  
Dono.

His goal is to reach the  
top of Mt. Everest.

He is ready with  
his gear.

He started to climb  
up a cliff and lost his

balance and fell.  Ow  
Don's leg was hurting  
very bad. So he put a  
cast on.

Don had to go  
to the bathroom

and he couldn't  
find one. So he pooped  
in the snow. The

next day he wore a  
diaper so he would not  
have to stop from  
climbing the  
mountain.

Then he started to  
climb using a rope.

He came to a  
cave and he  
found a T-Rex.

His name is Fire.

Don forgot his goal,  
they started to play  
tag and became best  
friends. Fire asked Don  
"Why are you on  
the mountain". Then Don  
remembered his goal  
but, he was strugg-  
ling to get to the  
top. Fire knew how to

get to the top.

So he helped Don  
get to the top  
and they both  
successfully reached  
the top of Mt. Everest.
